

Welcome to...

HELLO EVERYBODY!

My name is Elfie Doodles!

**I am Santa's Chief
Balloon Maker.**

I am a tall Elf.

I love Christmas time.

I like to play party games.

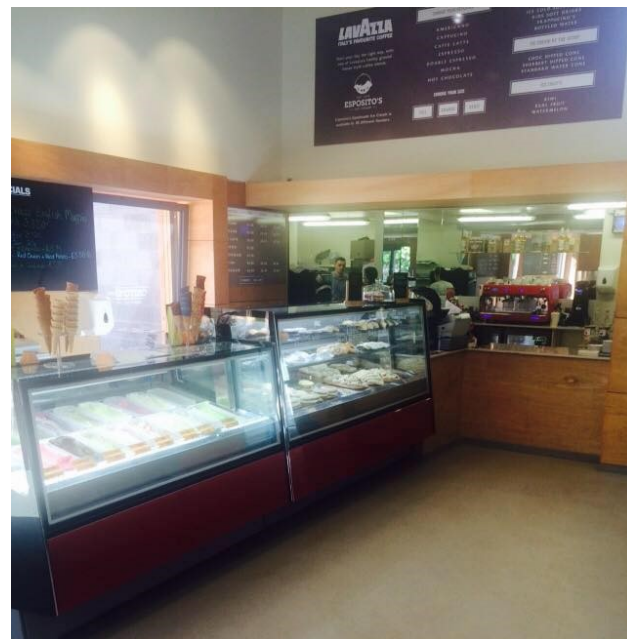

I can be silly sometimes.

**Elfie Doodles wears a BIG funny
RED and GREEN Hat, and Elf outfit.**

Here is a picture of Elfie Doodles.

**This is Esposito's Deli,
where you will be coming
to Esposito's Elf School
Christmas Party.**

**This is inside the Deli and
the counter where food
and drinks can be ordered
and paid for.**

**Elfie Doodles will say hello
to everybody, and will try
on Santa's Magical Hat!**

**You will all be given your
own Elf Hat to keep.**

**Elfie Doodles will read
out Elf Rules,
teaching everybody how
to be a good ELF.**

For fun there will be an Elf Name Chart, if you would like to, you can use your real name to help find out what your Elf name would be if you were one of Santa's Elves.

You can make your own Badge at the Elf Badge Workshop, if you want to you could add your Elf Name.

Here is a pic of food at Esposito's Deli.
You might have chosen something different to eat.

There will be food and drink at Esposito's Elf School, and you will get chance to sit down to eat and drink. You may be able to smell some of the food and drink. Sometimes we like to play some games with grown ups whilst you eat and drink.

**There will be other families at Elf School.
Everybody can join in with party games and
dancing, it's okay if you don't want to join in with the games,
sometimes it's fun to watch.**

**There will be music and Elfie Doodles will use a
microphone. The music won't be too loud because
Elfie Doodles doesn't like loud sounds.**

**Sometimes Elfie Doodles
will ask for grown up or
children helpers to join in
with games and magic
tricks.**

**Not everybody can be
chosen to be a helper, but
don't worry if you don't, you
will still be able to join in
with games if you want to.**

If you want to join in, you can learn how to make your own Reindeer Balloon, it's okay for grown ups to help you make it.

**Elfie Doodles and all the children will do some magic, and you
will all help Santa appear.**

**Santa will give you a special medal and certificate to tell you,
you are now one of Santa's Elves.**

**If you are a little unsure about Santa and don't want him to
give you a medal and certificate,**

Elfie Doodles will be happy to give them to you.
